

Resilience Grows Here Organizational Chart

Resilience Grows Here is made possible through funding from the Movember Foundation

Steering Committee: Responsible for informing grant activities and direction, developing theory of change and long term strategic plan-Comprised of veterans and other community representatives
Task Forces: Responsible for mission specific activities including Garden Concept and Memorial Day events. Additional Task Forces will be formed in response to planning discussions
East Granby Veterans: central to data gathering including participation in planning meetings, identification of community partners and liaisons. EG Veteran Group and smaller subset of EG Veteran Group Representatives will be instrumental in communicating with larger veteran population.
