

Large Group Questions

Note: This technique is great when working with large groups, and also get people up and moving and engaged in the activity. Each question is printed on one large piece of poster board or large “sticky note”. Responses are anonymous. Participants are given small “sticky notes” and pens to write their responses to stick on the appropriate question sheet. Feel free to adapt, and add your own questions or topics.

- What supports/resources are available to veterans that you know of?
- What supports/resources do you wish were available to veterans?
- What are some main challenges for veterans upon returning from service?
- What strategies do veterans use when returning to civilian life?
- What do you wish family members/social circles knew about how to support service members when they return?
- If you could create a comfortable space for you or other veterans, in your community, what would it be like?
- What’s missing?
